

PomeGran Appoints Telecom Entrepreneur to Lead Mergers & Acquisitions

Rob Klein joins accomplished senior management team as company scales.

Toronto, ON, CANADA (June 22, 2021) –PomeGran Inc., a leading owner and operator of fibre and fixed wireless rural broadband networks across Canada, is pleased to announce the appointment of telecom entrepreneur and acquisitions expert Rob Klein as Vice President, Mergers & Acquisitions, to drive accelerated growth in both the Canadian and US markets. This appointment reflects the significant opportunities PomeGran has identified to consolidate leading rural broadband companies across North America.

“Rob brings a wealth business scaling experience to the PomeGran group, at a time when rural broadband is truly becoming an essential service. His extensive expertise in identifying and vetting companies for acquisition will help drive PomeGran’s aggressive acquisition program,” said Dr. Kalai S. Kalaichelvan, Chairman, PomeGran Inc.

PomeGran’s newly appointed Vice President, Mergers & Acquisitions, will initially focus on targeting companies to be acquired in the Canadian market, with the larger mandate of also identifying US target companies. There are an estimated 500 small to medium ISPs/MSPs in the geographic areas that he will focus on.

“I’m looking forward to working with the PomeGran team at a time of significant scaling for the group,” said Rob Klein, Vice President, Mergers & Acquisitions, PomeGran Inc. “I believe my extensive experience in acquiring, arranging financing for and scaling both private and public companies will add significant value to PomeGran,” he concluded.

“The appointment of Rob is another important step forward for the company, during a time of significant growth. We believe Rob will bring new perspectives to our senior management team,” Dr. Kalaichelvan concluded.
